Directors Guild of America Awards 2017

CORNUCOPIA
EVENTS

The Directors Guild of America (DGA) is an entertainment guild which represents the interests of film and television directors in the US motion picture industry and abroad. It represents directors and members of the directorial team (assistant directors, unit production managers, stage managers, associate directors, production assistants and location managers).

That representation includes all sorts of media such as film, television, documentaries, news, sports, commercials and new media
